

# George Washington Sale!

The hero of the cherry tree incident couldn't tell a lie; we can, but won't, not knowingly. We've named this the "George Washington Sale" because we quote only our regular prices. Compare them with the special prices quoted by others; compare the goods too, and see how we save you money every day in the year. We aim to give you your money's worth at all times and often more. Now is a good time to get posted on real values.
